About Asha M. Tarsadia Institute of Computer Science and Technology

Asha M. Tarsadia Institute of Computer Science and Technology (AMTICS) is a constituent institute of Uka Tarsadia University, Maliba-Campus. AMTICS is established with a mission to promote a strong and transformative technical educational environment that fosters teaching and learning in fundamentals and applied areas leading to indigenous sustainable technologies. The institute is committed to provide an open platform for diverse voices where the teaching-learning process is parallel to real-world applications. The student gets nurtured under well-experienced academicians, researchers, and industry experts who are dynamically involved and committed to tackle cutting-edge societal and technological problems around the globe.

About IQONIC Design

IQONIC Design™ is a part of Braindora Technologies FZCO. Behind these awesome digital products is a team of passionate, young, and creative professionals.

It is a product-first Web & App development company serving products & solutions across the globe. Products they create are based on the solid framework which they cultured over several years. Every project is designed and detailed with the sole purpose of simplifying the development process for the creators like you.

With all these years of experience under their belt, they go above and beyond the ordinary to create simple yet effective digital solutions.

MoU signing Ceremony

On June 26, 2024, a significant Memorandum of Understanding (MoU) was signed between **Iqonic Design, Surat** and **Asha M. Tarsadia Institute of Computer Science and Technology, UTU Bardoli**. **Iqonic Design**, marking a pivotal collaboration aimed at fostering innovation and academic excellence. The ceremony, held at **AMTICS conference room**, was attended by esteemed faculty members, students, and industry professionals. The partnership will facilitate joint research projects, internships, and knowledge exchange programs, providing students with hands-on experience in cutting-edge technologies. **Dr. Vishvajit Bakrola, I/C Director, AMTICS**, emphasized the importance of bridging the gap between academia and industry to prepare students for the evolving job market. Meanwhile, **Mr. Hindustani Modi, CEO, Iqonic Design**, highlighted the potential for groundbreaking advancements through this alliance. This MoU underscores both institutions' commitment to driving technological progress and enhancing educational outcomes. The collaboration promises to be a catalyst for innovation, benefiting not only the partners involved but also the wider community.
