## About Asha M. Tarsadia Institute of Computer Science and Technology

Asha M. Tarsadia Institute of Computer Science and Technology (AMTICs) is a constituent institute of UkaTarsadia University, Maliba-Campus. AMTICS is established with a mission to promote a strong and transformative technical educational environment that fosters teaching and learning in fundamentals and applied areas leading to indigenous sustainable technologies. The institute is committed to provide an open platform for diverse voices where the teaching-learning process is parallel to real-world applications. The student gets nurtured under well-experienced academicians, researchers, and industry experts who are dynamically involved and committed to tackle cutting-edge societal and technological problems around the globe.

### About Workshop

The workshop commenced with an introduction of expert, followed by the first session, there was a special felicitation ceremony where Dr. Vishvajit Bakrola, the Director, presented a token of appreciation to Mr. Dhruv Desai for his valuable contributions to the workshop. The session covered introduction of Python's capabilities in chatbot development, natural language processing basics and how to leverage LLMs for creating more responsive and intelligent chatbots.

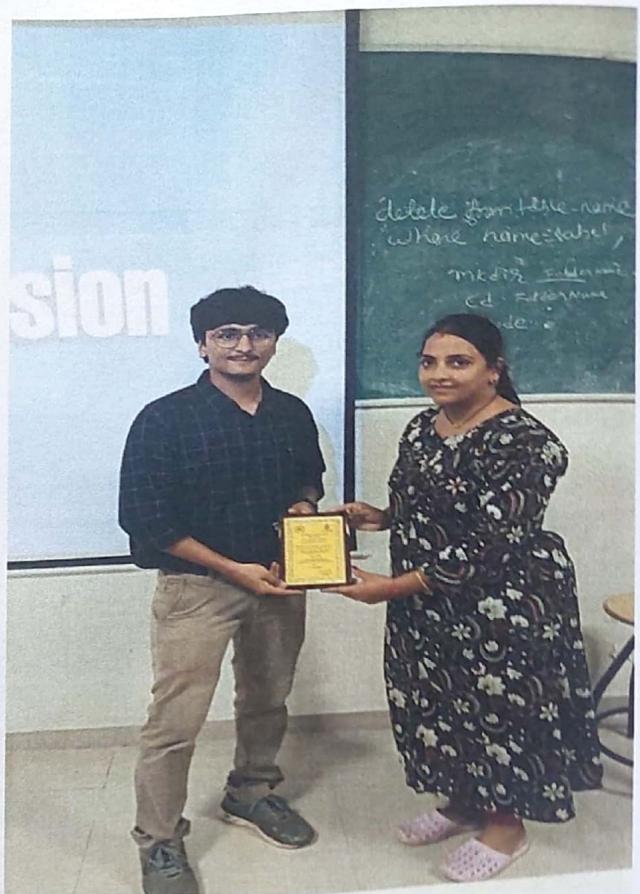

After the morning session, participants enjoyed a lunch break at the Boys Hostel, providing an opportunity for networking and informal discussions.

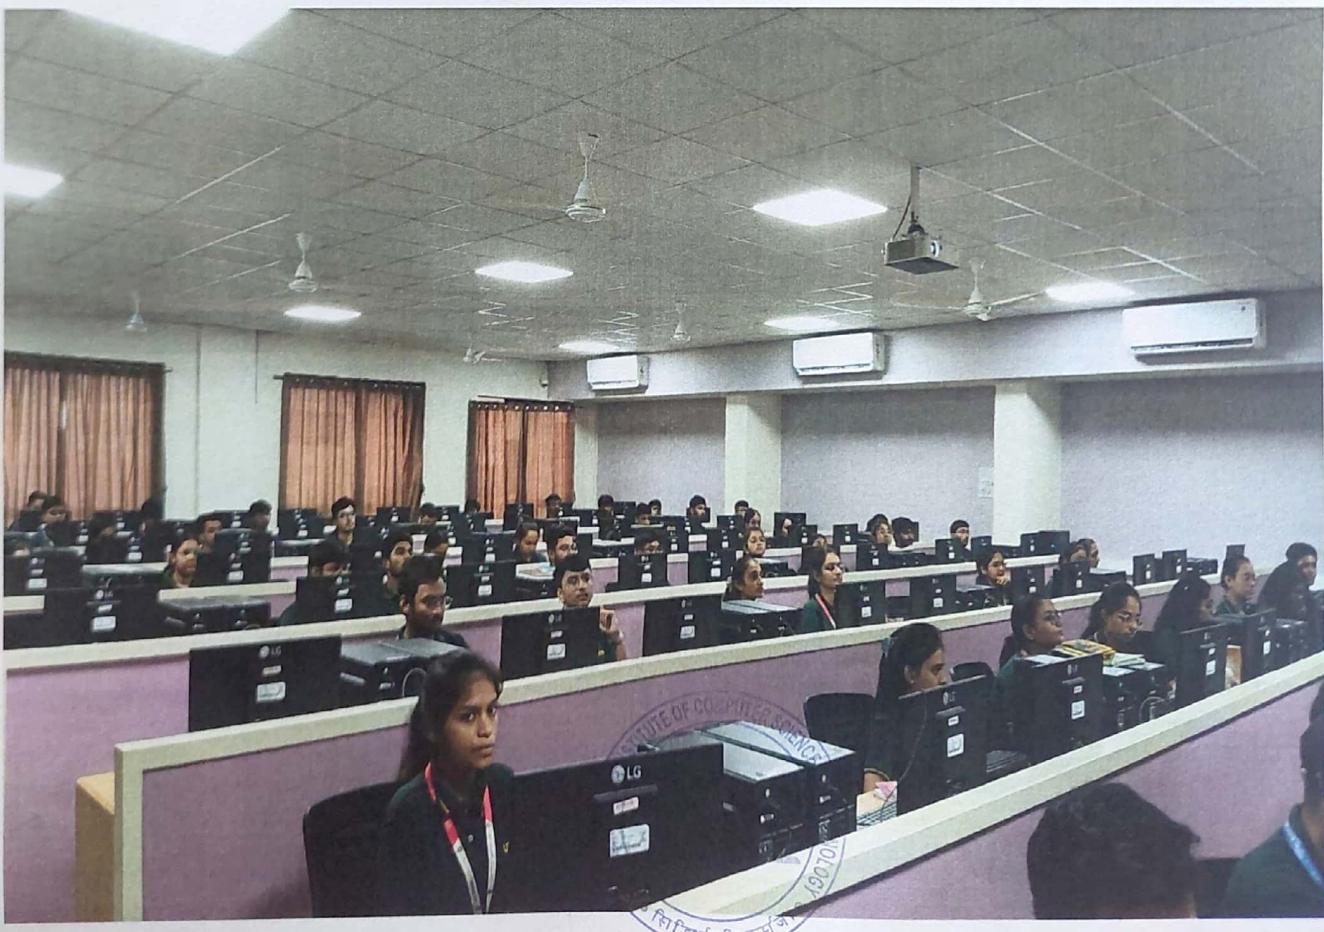

After a lunch break, the second session included the practical aspects of integrating LLMs into chatbot applications. The session was highly interactive, with participants engaging in hands-on exercises under the guidance of the expert.

The workshop concluded with a valedictory session, where participants shared their experiences and feedback. Additionally, the workshop coordinators presented a memento to Mr. Desai as a gesture of gratitude and recognition for his expert guidance and support. The session ended by thanking the participants and the expert for their contributions.
